ANNUAL PUBLICATION
of
THE STUDENT BODY
of
DICKENSON MEMORIAL HIGH SCHOOL
CLINTWOOD, VIRGINIA

P R E S E N T A T I O N

BOOK I

In this section we introduce our Superintendent, Principal, Assistant Principal, Secretary, High School faculty, and Elementary faculty who were always ready to aid us with our problems. To them we express our thanks for their leadership and guidance.

BOOK II

It is proper that we give first recognition to our Seniors in this section as we present our classes. Due to reorganization of our high school into the five-year plan, we are minus a Junior Class. Following the Seniors we present Sophomores, Freshmen and Eighth Grade.

BOOK III

Our activity program which we present in this book furnishes for the student body the extra-curricular activities, which tend to round out our academic studies and develop our personalities.

BOOK IV

In our athletic section we present our students who have participated in various athletics, our coaches who did an excellent job, and our cheer leaders who were always ready to lead us to victory.

BOOK V

We present in this book our loyal supporters who made this publication possible. To them we express our deepest appreciation.

DEDICATION

MISS CATHERINE SUTHERLAND

To one who has added much to our school life deserves the highest honor we can bestow upon her. Miss Sutherland came to us in our sophomore year. Her untiring generosity in giving of her time and her vast understanding of our problems and her interest and willingness to give sound advice are but a few of the contributions of one of the most dynamic members of our faculty.

We shall always remember Miss Sutherland. From Miss Sutherland's teaching of English we learned the essentials that made it possible for us to edit an annual and news bulletin. Any of our future journalistic undertakings will have as its basis the grammar and creative writing we learned under her.

Not only because of our love and respect for one who goes out of her way to be helpful, but because of her untiring effort in making the 1948 edition of THE GREEN KNIGHT a reality, it feels honored to have been dedicated to Miss Catherine Sutherland, our teacher and friend.

The National Beta Club Charter was granted to Dickenson Memorial High School in August 1939, and since that time, this organization has taken the lead in the extra-curricular activities of the school.

The Beta Club is a National organization of high school students of America. The membership is based on the students scholastic standing. Only those students who have high scholastic records may become members. The purpose of the club is to encourage effort, to promote character, to stimulate achievement, to cultivate leadership qualities, to reward merit, and to encourage and assist students to continue their education after high school graduation.

The main activity of the Beta Club this year was to sponsor a beauty contest to select Miss D. M. H. S. of 1948. The proceeds from this program are being used to pay a down payment on new curtains for the auditorium.

SECOND ROW—LEFT TO RIGHT: B. Sutherland, D. Mullins, J. Yates, C. Sluss, A. Mooney, L. Sutherland.

One purpose of the Panel Discussion Club is to develop one's talent for participation in an intelligent exchange of ideas. It enables one to co-ordinate and test his own ideas as well as to influence others. In all discussions, unbiased information is sought for and thoughtful consideration given to divergent points of view.

Also, this club is a means of supplementing one's knowledge about the many current and historical subjects discussed.

Those who proved themselves most competent in this group competed in county interscholastic discussion at the forensic meeting held in March.

The boys' glee club appeared in several numbers during the year. They assisted the girls' glee club in presenting the operetta, "Lelawala."

Some unusual talent was found among the boys. Some of the boys will be with us three years more and we are expecting greater things of this group in the future.

The club was sponsored by Mrs. French and assisted by Miss H. Phipps.

SPONSOR: Mrs. Edna French.

The Girls' Glee Club, composed of twenty-five members, is directed by Mrs. Edna French, the music teacher.

This year the club had as its objectives, the giving of two assembly programs and an operetta. The assembly programs, one of sacred music and the other of secular music, were enjoyed by the student body. The operetta, "Lelawala, or The Maid of Niagara," was voted a success by the school and public as well. Some unusual music talent was brought out and developed during this performance. The proceeds went toward the purchase of a piano for the school.

The Future Farmers of America (F. F. A.) is the national organization for boys studying vocational agriculture in public high schools. It was organized in November, 1928, upon the foundation of leadership, character development, sportsmanship, improved agriculture, organized recreation, citizenship, and patriotism. Forty-seven states, including Virginia and two U. S. territories have state F. F. A. associations, each a part of the wide-spread national organization.

The first chapter at D. M. H. S. was organized in 1928, and since that time it has grown into one of the largest in the State.

The organization sponsored two assembly programs this year as well as having an annual social function for members and their guests.

The Monogram Club was organized for the second consecutive year under the 1946-47 charter. It was sponsored by Mr. Skeen, our principal, and was composed of athletes and managers who won a letter in athletics.

The purpose of the club is to promote sportsmanship and interscholastic athletics as well as preventing illegal wearing of our school letters.

The club held several meetings and managed to prevent anyone from wearing a monogram illegally. This organization also sponsored the annual football banquet at the Community Building.

The girls' basketball team of D. M. H. S. played good ball all during the season, but due to the unusual height of our opponents it wasn't very victorious. The girls showed good sportsmanship and school spirit by being good losers as well as winners.

The greatest disadvantage our school had was the lack of a gymnasium, which left the team with very little practice. They did their best and we are proud of them.

The first team is as follows:

THE 1947 SEASON

D. M. H. S. opened the season, as it did last year, by traveling to Richlands. We were defeated by this slashing team 18-6. The following week we journeyed across the Wise-Dickenson line to Coeburn. Mainly because we could not score in the pinches we were defeated 13-0. We finally seemed to round into shape for we won our first game by defeating Grundy 12-6 on their field. Our first home game was with Appalachia. We lost a somewhat disappointing game by a 19-6 score. The next week-end Grundy visited Clintwood but had no better luck than they did during their last encounter with us. Score 14-0. D. M. H. S. ventured into Kentucky to play a hard fighting Jenkins team and managed to win by a 7-6 margin. It seems that there will never be anything but ties between the Clintwood and Meadowview football teams for at Abingdon we fought to another 7-7 deadlock, just as we did last year. Tazewell, the District VII champions, came to our home field for their first game ever to be played under lights in Dickenson County. We played hard but were outclassed and defeated 31-18. We finished the season by traveling to Wise. This was a very hard fought game in which the 8th District champs were almost beaten but they managed to eke out a 9-7 decision.

BASEBALL

FIRST ROW—LEFT TO RIGHT: C. Fleming, H. P. Remines, J. Dotson, D. Kennedy, K. Stanley, H. Phipps, W. Deel, P. Smith.

SECOND ROW—LEFT TO RIGHT: Mr. P. W. Skeen, R. Moore, A. McCoy, G. Childress, H. L. Strouth, J. Trivitt, C. Mullins, K. Mullins, G. Moore.

THIRD ROW—LEFT TO RIGHT: I. Stanley, C. Compton, J. Sutherland, J. Grimes, B. Fleming, H. Dotson, E. Lee, J. Mullins.

FOURTH ROW—LEFT TO RIGHT: T. Mooney, C. Dotson, J. Steele, B. Fleming, J. Dotson, N. Webb, R. Mullins, B. Colley.

The D. M. H. S. baseball squad plans a very successful '48 season. Boasting 10 members from last year's squad, seven of which are lettermen, this team should make a fine showing. In Jess Steele and Cecil Dotson we will have one of the most experienced and outstanding batteries in Southwest Virginia.

Other varsity performers are:

T. Mooney, Third Base
J. Dotson, Second Base
J. Sutherland, First Base
R. Moore, Left Field

H. Dotson, Right Field
H. Remines, Center Field
D. Kennedy, Center Field
H. Phipps, Pitcher

SOFTBALL

FIRST ROW—LEFT TO RIGHT: Coach Skeen, J. Crimes, J. Brown, C. Neel, Capt. H. Dotson, C. Hill, A. Mooney.

SECOND ROW—LEFT TO RIGHT: J. C. Fletcher, B. Mullins, W. Dotson, C. Compton, C. Mullins.

With only one holdover from last year's squad, the softball team consisting of those students not participating in football, made a credible showing in the county schedule. Although not a winning team, no game was lost by a decisive score, and our boys were always a constant threat against the seasoned opponents of the other three county high schools. The team was sparked by our only veteran, Captain Harold Dotson, and the sterling pitching of "Lefty" Neel. With all players returning next fall a championship team is predicted.

CHEER LEADERS

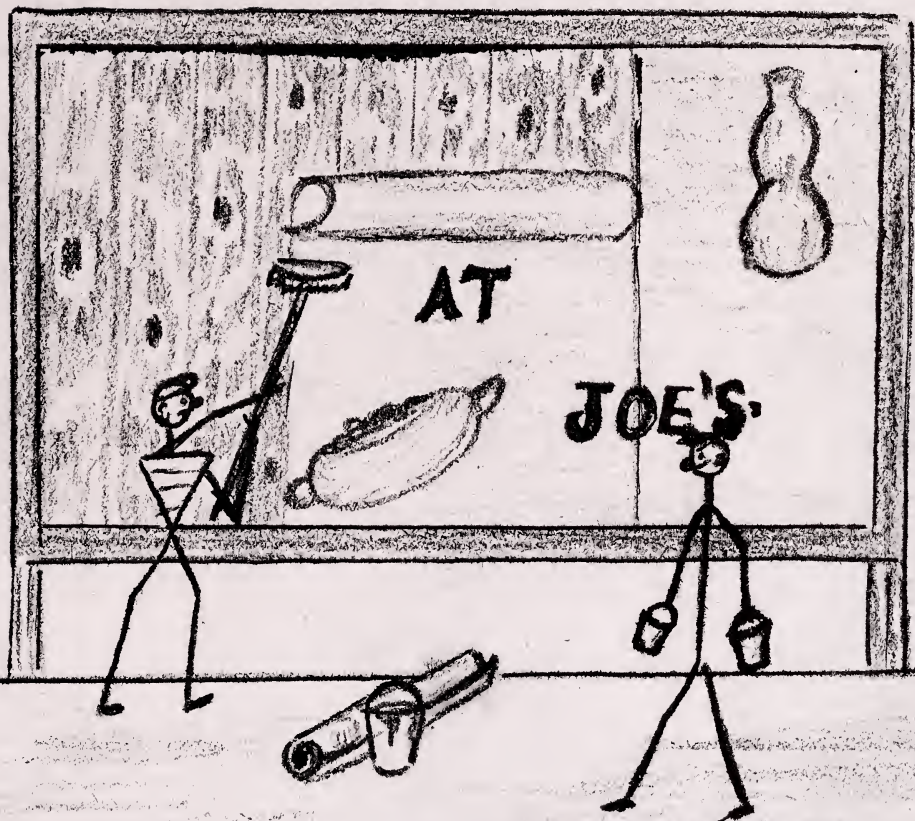

LEFT TO RIGHT: Buddy Sutherland, Dorothy Davis, Rosa Lee Hawkins, Jane Sutherland, Maurine Fleming, Kay Frances French, Ed Fleming.

Veterans of our cheer leading squad this year were Jane Sutherland and Rosa Lee Hawkins. The newcomers who were selected after much deliberation, proved to be very wise choices, as they all were cooperative and readily learned their duties.

We are very proud of our cheer leaders who upheld our reputation by always showing good sportsmanship and displaying courtesy to our opponents.
